

Giving Individuals and Employers the Right Tools to be Successful

Mission

Jewish Family Service Employment Services Department assists individuals in finding and maintaining employment. Through job search programs, we empower individuals to seek gainful employment.

Programs

- The Career Services program includes job search skills workshops and consultations.
- For individuals with barriers to competitive employment, we provide additional individualized assistance in the MainStreet Opportunities program.
- Celebration Company, a supportive and transitional employment program maintains best practices in building employment skills.
- The Employer Services program provides staffing solutions to help employers have a successful workforce and be socially responsible corporate citizens.
